

List of products that no longer implement mandatory product certification management

Serial	Product Name	
number	Product Category	Product category and code
1	Wire and Cable	Wire and cable for railway rolling stock with rated voltage of 3kV and below (0103)
2	Electrical tools	Electric screwdriver and impact wrench (0502)
3		Sanding machine (0504)
4		Circular saw (0505)
5	Electric welder	Small AC arc welder (0601)
6		AC arc welder (0602)
7		Submerged arc welding machine (0606)
8		Plasma arc welder (0608)
9		Arc welding transformer anti-shock device (0609)
10		Welding cable coupling device (0610)
11		Resistance welding machine (0611)
12	Audio and video equipment	Tuned receivers and radios for various broadcast bands (0804)
13		Monitor (0809)
14	Motor vehicle and	Automotive interior parts (1111)
15	Safety accessory	Car door locks and door retainers (1112)
16	Safety glass	Railway vehicle safety glass (1303)
17	Telecommunications	Fixed telephone terminal and telephone attachment (1603)
18	terminal equipment	Group phone (1605)
