

**We are seeking a work student in the field
of battery testing in Offenbach**

VDE Renewables is a subsidiary of the VDE Group, which is one of the largest technology organizations in Europe. Within the VDE network more than 2,000 employees in over 60 locations worldwide, more than 100,000 honorary experts and around 1,500 companies are dedicated to ensuring a future worth living: networked, digital, electrical. VDE Renewables is a globally recognized service provider for quality assurance, risk mitigation and independent engineering services in the renewable energy sector. VDE Renewables operates multiple state-of-the-art Battery Prime Labs worldwide and support its customers over the entire battery development process until certification of their products. VDE Renewables operates state-of-the-art Battery Prime Labs worldwide and supports its customers throughout the entire battery development process until their products are certified.

We are looking for work students for the battery test center located in 63067 Offenbach, Goethering, to support us in our growing battery testing business within the framework of a working student contract. The job includes a maximum of 20 hours per week during the semester and can be extended to 40 hours per week during the school vacations.

Your Profile

- Full-time registration as a student of electrical engineering, mechatronics or equivalent
- Basic knowledge of metrology and measurement technology as well as programming languages
- Confident handling of MS-Office applications (Word, Excel)
- Goal-oriented and structured way of working combined with motivation and enthusiasm for learning
- Ability to communicate well and work in a team
- Good knowledge of both written and spoken German and English

We Offer

- State-of-the-art laboratory technology with growth strategy
- Versatile and varied tasks in an open-minded and motivated team
- Support for personal development
- Appreciative and friendly interaction with supervisors and colleagues
- Flexible working time model
- Possibility of a permanent position at a later date if suitability is demonstrated

Location: 63067 Offenbach am Main, Goethering
