Individual members

Full members are individuals who work in, or support, the VDE fields of electrical engineering, electronics, information technology or computer science and their related technologies, sciences and applications (communications, media, automation, infrastructure, healthcare, etc.).

Junior members (students) are those who are studying for a professional degree that corresponds to one of the VDE fields. At the end of the year in which they complete their apprenticeship, they become a full VDE member, however only when they have reached the age of 30.

Cancellation: According to VDE regulations, membership may be terminated upon notice of 3 months prior to the end of the year.

Membership fee – free of charge in the year of entry

Annual membership fee: 86 euros*

Special rates: 16 euros for junior members
(students, max. up to the age of 30)

43 euros for job starters,
four years after the end of study, max. up to the age of 34

* 25 percent fee discount for multiple memberships
Additional information and applications at: www.vde.com

Technical societies

Personal members of the VDE can be assigned to technical societies:

ITG Information Technology Society in the VDE

ETG Power Engineering Society in the VDE

DGBMT German Society for Biomedical Engineering in the VDE

GMM VDE/VDI Society of Microelectronics, Microsystems and Precision Engineering

GMA VDI/VDE Society for Measurement and Automatic Control

The assignment to one technical society is free of charge. An additional 10 euros is charged for the second technical society membership and 20 euros for every further society membership.

Additional society memberships are free of charge for junior members.
