No membership fee is charged in the year of entry.

Do you wish to be assigned to one or more technical societies?

Information technology (VDE ITG) Energy technology (VDE ETG) Medical technology (VDE DGBMT)

Microelectronics + microtechnology (VDE VDI GMM) Automation technology (VDI VDE GMA)

The assignment to **one** technical society is free of charge. It can also be selected or changed on the membership portal.

Individual members

Full members are individuals who work in, or support, the VDE fields of electrical engineering, electronics, information technology or computer science and their related technologies, sciences and applications (communications, media, automation, infrastructure, healthcare, etc.).

Junior members (students and trainees) are those who are studying for a professional degree that corresponds to one of the VDE fields. At the end of the year in which they complete their apprenticeship, they become a full VDE member, however only when they have reached the age of 30.

Cancellation: According to VDE regulations, membership may be terminated upon notice of 3 months prior to the end of the year.

Membership fee – free of charge in the year of entry

Annual membership fee: 98 euros*

Special rates: 22 euros for junior members
(students, trainees, max. up to the age of 30)
49 euros for job starters,
four years after the end of study, four years after the end
of training, max. up to age 34

VDE Verband der Elektrotechnik
Elektronik Informationstechnik e.V.
